

## **HOTEL INTERNET SERVICES NAMED TO INC MAGAZINE'S FASTEST GROWING PRIVATE COMPANIES FOR 2011.**

***Hotel Internet Services, leading provider of secure wired and wireless Internet services, Video-on-demand, and IPTV, was named to Inc. Magazine's 500/5000 Fastest Growing Companies***

**Simi Valley, CA – September, 2011** GlobalNewswire/ -- Hotel Internet Services (**HIS**), a leading national provider of High-Speed Wireless Internet solutions, IPTV and VOD Systems, announced today that it has been named to the 2011 *INC* magazine ranking of the nation's fastest-growing private companies. Beginning with the *INC 500* and continuing with the *INC 5000*, **HIS** has become one of the few companies with such a record in the prestigious listing.

The *INC 500/5000* is *INC* magazine's annual look at the most important segment of the economy-America's independent entrepreneurs. In a stagnant economic environment, median growth rate of companies on the *INC 500/5000* remains an impressive 94 percent. This year, **HIS** is #218 on the ranking's technology Industry National list, with an impressive #35 on the IT industry list for California-based companies.

"When a company delivers reliable, safe and secure products and services, great things happen. Hotel Internet Services has become part of a rarefied group of firms in the U.S. that has met customer needs over time," said Gary Patrick, President and CEO of **HIS**. "We're very proud of the passion and dedication our employees have shown in attaining this recognition."

Headquartered in Simi Valley, CA, Hotel Internet Services is a leading provider of secure wired and wireless Internet services, Video-on-demand, IPTV, unattended business centers, kiosks, 24x7 support services and meeting & convention services for hotels, resorts, timeshares, casinos, and other venues.

With the majority of all new job creation in the U.S. coming from small businesses, the *INC 500/5000* is a reliable indicator of the companies and industries that are driving the economy forward. Over the years, the *INC 500/5000* has identified the next generation of world-class companies, with major corporations appearing on the list in recent years.

**HIS**, along with other *INC 500/5000* winners, will be honored at the *INC 5000* conference September 22-24, 2011 at the Gaylord National Resort and Convention Center in National Harbor, Maryland. Complete results of the *INC 5000* can be found at [www.inc.com/5000](http://www.inc.com/5000).
